

Republicans Follow Through on Their Plan to Hike Costs and Strip Arizonans of Their Health Care

Across the country, health care is in crisis, including in Arizona. Since taking power, Donald Trump and Congressional Republicans have launched an all-out assault on our health care system. Every day they stall, more Arizonans are forced to choose between keeping a roof over their head, food on the table, or life-saving coverage. The choice is clear: side with billionaires and big corporations and let the crisis get worse, or finally stand with hard-working Arizonans.
