

## Republicans Follow Through on Their Plan to Hike Costs and Strip Iowans of Their Health Care

Across the country, health care is in crisis, including in Iowa. Since taking power, Donald Trump and Congressional Republicans have launched an all-out assault on our health care system. From slashing Medicaid to driving rural hospitals off a cliff to ending health care tax credits, they have created a disaster for working families and only helped billionaires get richer. Now Iowans who buy insurance on their own will see their premium costs skyrocket. Beginning in 2026, Republicans have made sure that premiums in Iowa will [increase](#) by an average of 173 percent more every single year. This will exacerbate the uninsured rate and raise costs for hard-working Iowans at a time when too many are struggling to make ends meet. It's time for Republicans to fix the mess they created. Every day they stall, more Iowans are forced to choose between keeping a roof over their head, food on the table, or life-saving coverage. The choice is clear: side with billionaires and big corporations and let the crisis get worse, or finally stand with hard-working Iowans.

### **By the Numbers**
