

Republicans Follow Through on Their Plan to Hike Costs and Strip Nebraskans of Their Health Care

Across the country, health care is in crisis, including in Nebraska. Since taking power, Donald Trump and Congressional Republicans have launched an all-out assault on our health care system. From slashing Medicaid to driving rural hospitals off a cliff to ending health care tax credits, they have created a disaster for working families and only helped billionaires get richer. Every day they stall, more Nebraskans are forced to choose between keeping a roof over their head, food on the table, or life-saving coverage. The choice is clear: side with billionaires and big corporations and let the crisis get worse, or finally stand with hard-working Nebraskans.
